I am Uday Tanaji Gavada , a resident of Narhe Pune, I am recently completing my degree Bachelor of Business Administration with specialization in Computer Application from Savitribai Phule University Pune.

Owing to my creativity and exceptional convincing skills, my academic study has nurtured me into polishing my skills further in not just core Marketing and Developing but in Management, Accounting, Distribution, Strategic Marketing and Financial Accounting as well. I see myself as a quick learner, who enjoys working in team as well as solo, is open to trends and has convincingly good communication and interpersonal skills, despite of no work experience .

I'm positive that my abilities and knowledge will help me to perform my task to the best of my capability and prove beneficial to your organization. I will give my best and work sincerely. Looking forward to hearing from you soon and speaking to you regarding this opportunity.

Sincerly,

*Uday Gavada*
